

DevOps Pipeline Templates

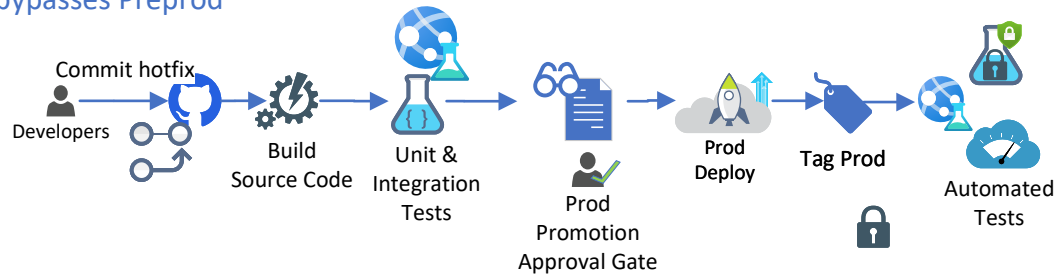

Standard Pipeline

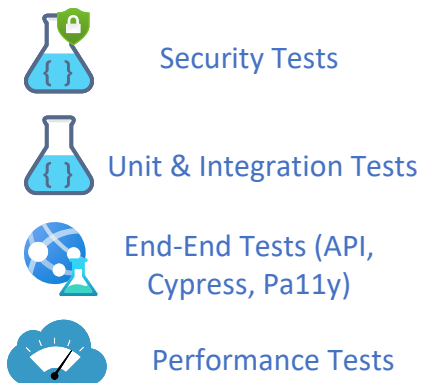

UAT Pipeline

Hotfix Pipeline that bypasses Preprod

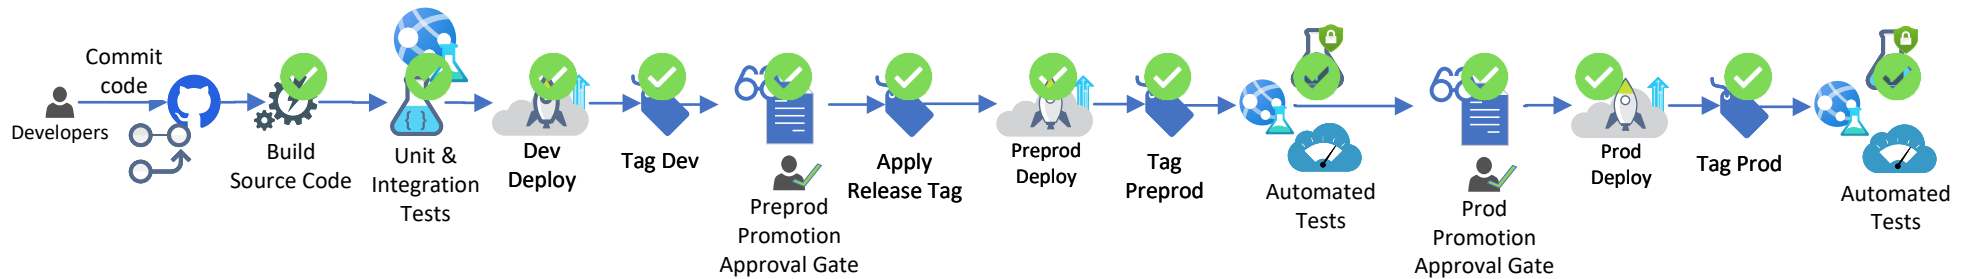

Not sure this last pipeline is advisable but it's certainly doable

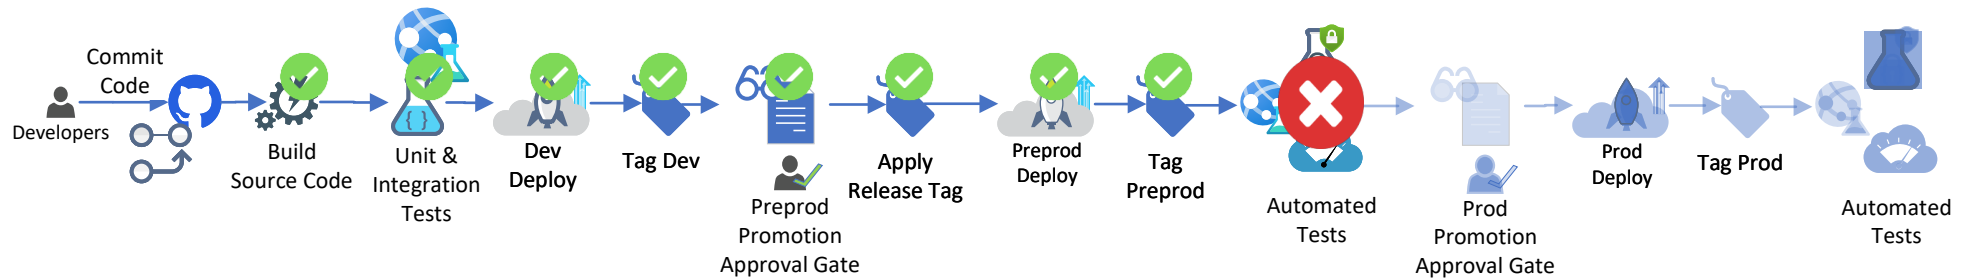

Happy Path to Production

Standard Pipeline - Release 1.0

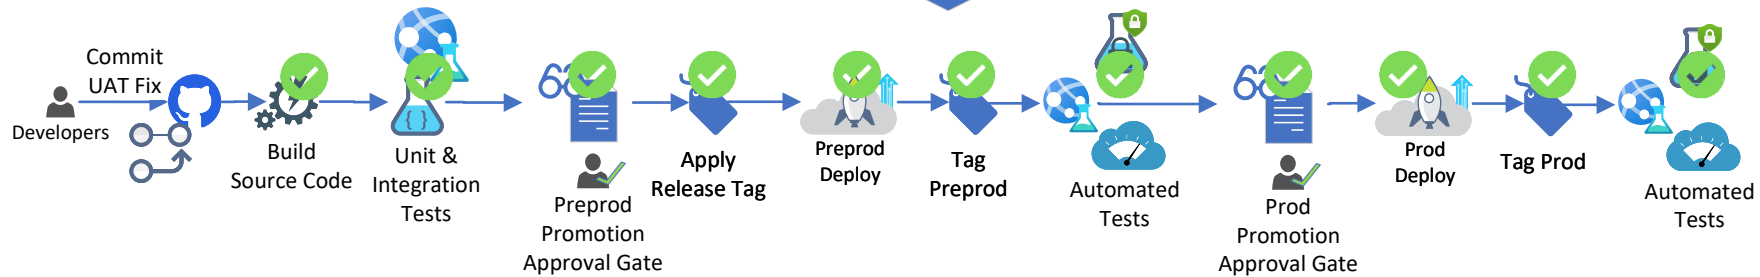

Path to Prod with UAT Patch

Standard Pipeline - Release 1.0.1 – UAT Tests Failed

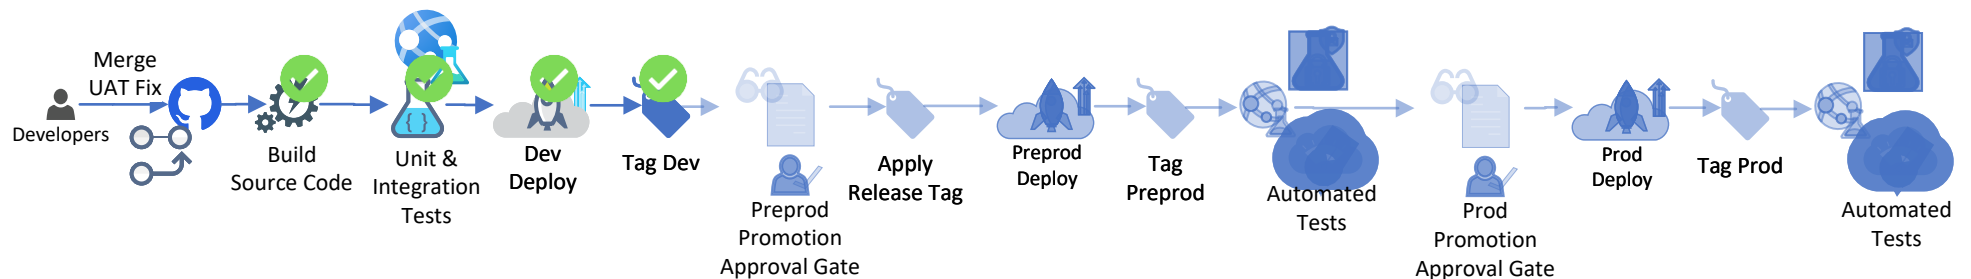

Developers Fix UAT
Failures & Issues on
UAT Branch

UAT Pipeline - Release 1.0.1.1

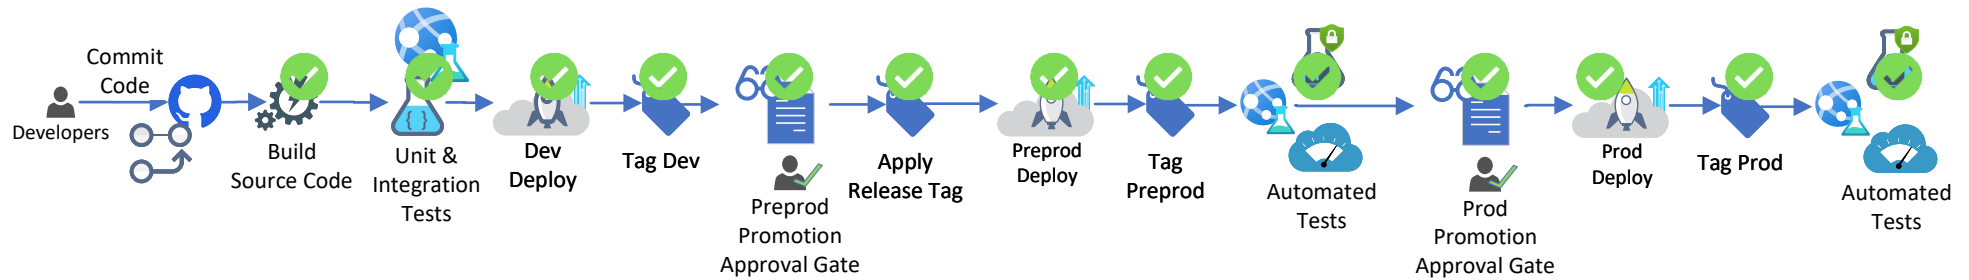

Developers Merges
UAT Fix(es) back to
DEV Branch

Standard Pipeline

Hotfix to Production

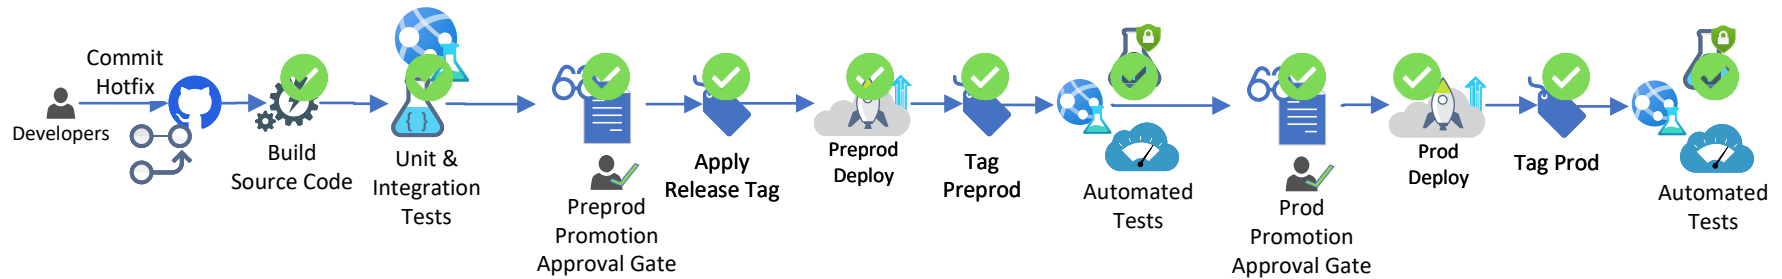

Standard Pipeline - Release 1.3

Zero-Day Issue Found after
v1.3 Release

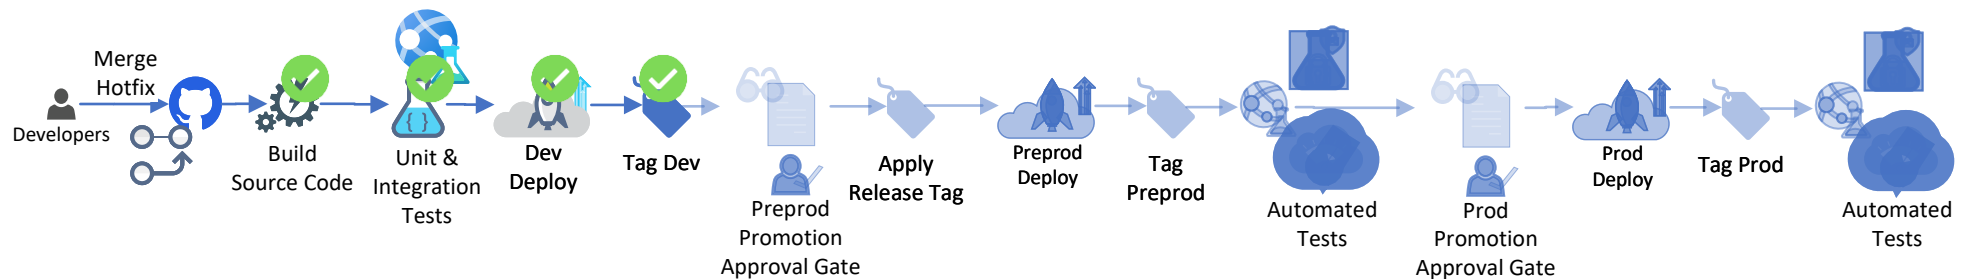

Developers Fix Zero-Day
Production issue
on Hotfix Branch

Hotfix Pipeline - Release 1.3.0.1

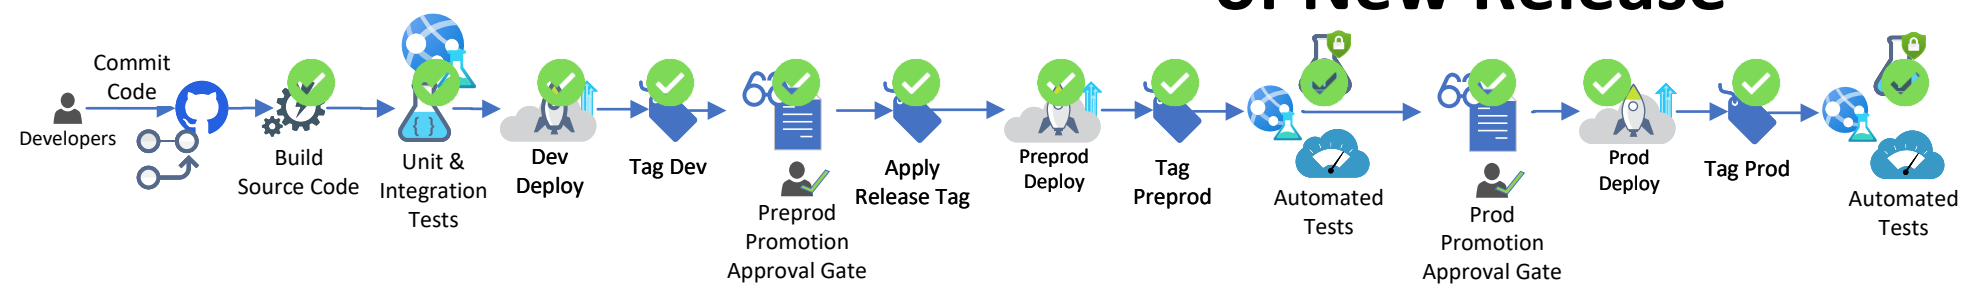

Developers Merges
Hotfix back to DEV
Branch

Standard Pipeline

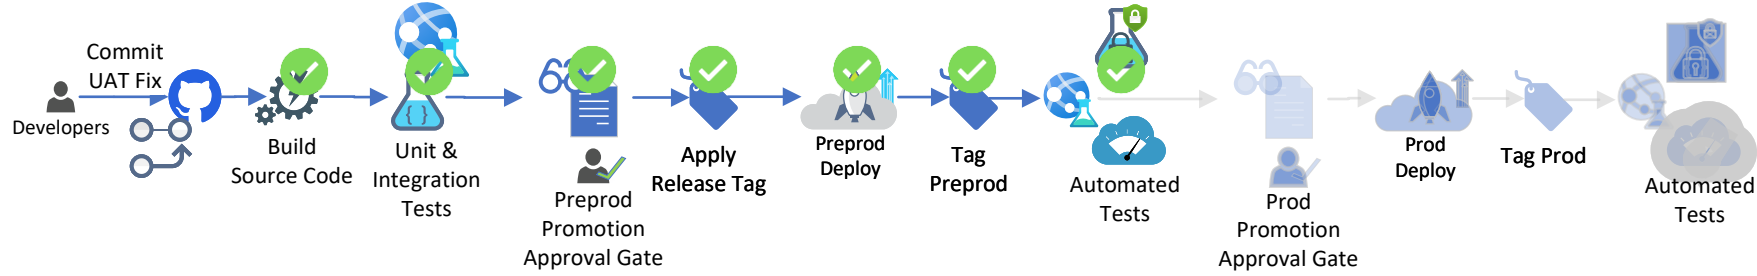

Hotfix to Production during UAT of New Release

Standard Pipeline - Release 1.4

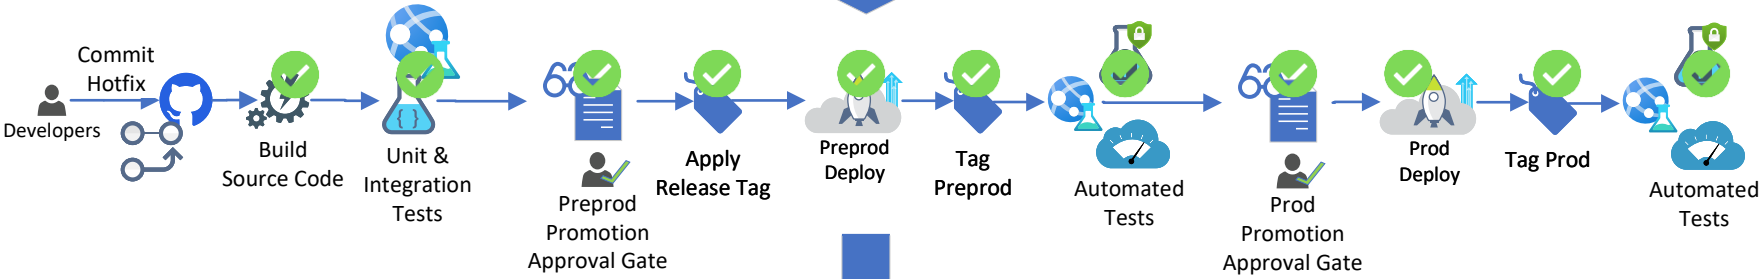

UAT Pipeline - Release 1.4.1

Zero-Day Issue Found after v1.4 Release during v1.4.1 UAT

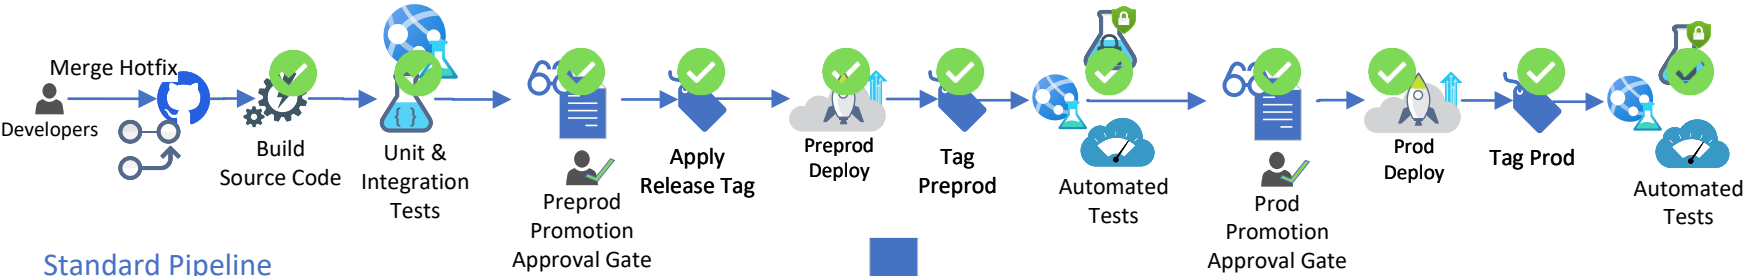

Developers Fix Zero-Day Production issue on Hotfix Branch

Hotfix Pipeline - Release 1.4.0.1

Developers Merge Hotfix to UAT Branch

UAT Pipeline - Release 1.4.1.1

Standard Pipeline

Developers Merge UAT back to Dev Branch
